Dear Adoption Advocate:

This is the most recent edition of the NC Kids Family Listing. These families are interested in adopting children with special needs and have been approved for placement. Please review to determine if any of these families might be a suitable placement resource for children in the custody of your agency. If you think one of these families might be a potential match for one of your children, please call NC Kids at the above number (or download additional copies from <http://www.state.nc.us/dss/proinfo/cw.htm>). NC Kids has copies of each family's preplacement assessment and would be happy to send you a copy. We are available from 7:00 a.m. until 7:00 p.m. Monday through Saturday.

It is our hope that when new families are approved to adopt, you will complete the Family Registration Form (DSS-1821) and send it along with a photograph and a copy of the family's preplacement assessment to the address above so they can be added to the Family Listing. We believe that this is a valuable resource in assisting the children of North Carolina in finding a permanent family.

Feel free to circulate this list to all adoption social workers. The Family Listing is updated monthly and can be found at <http://www.dhhs.state.nc.us/dss/proinfo/cw.htm>.

If you have questions or information to share, please feel free to contact us at 877-625-4371.

Sincerely,
Beverley Smith
